## **"Your career comes first"**

AP Models is searching for young talents. You must be at least 12 years old. If you think you fit our criteria, we look forward to hearing from you.

Models should be at least 1.75 m as a female and 1.85 m as a male. For the talent section, height doesn't matter.

A close-up image of a compass rose. The word 'TALENT' is written in bold, red, 3D-style capital letters across the top of the compass. The compass itself has a red needle pointing towards the top right, and the background is a dark, textured surface with concentric circles.

We invite you to register by filling out the form on the website.

The photos sent must be recent, preferably taken in natural light, in color, without makeup.
